### **Please read this information before completing the enclosed Application Form**

These notes are intended to help you complete the enclosed application form section by section. The person specification provided with the details of the post, lists the criteria against which each candidate will be assessed. Invitation for interview is based on the information contained in the Application Form – complete it in a well-planned and positive way, use words such as 'I plan', 'I am responsible for'. The candidates short-listed will be the ones who most closely meet the criteria. Applicants who do not meet the essential criteria on the Person Specification will not be short-listed. Applicants with disabilities will be invited for interview if the essential qualification, experience and skills criteria are met.

### **General Points**

- Please complete the form using type or black ink so that it can be photocopied.
- Please check that the form is for the correct post and take note of the closing date. If you are unable to complete the application form before the closing date, for example, due to requiring the form in a large print, then at the Lead Officer's discretion, written information detailing how you meet the essential criteria may be accepted until the standard application form can be completed.
- Please ensure that you include as much relevant information as possible on the application form. Any information provided on CV's will not be considered for short-listing purposes. If little or no information is provided on the application form it will be impossible to assess your suitability and therefore progression to the short-list for interview will be unlikely.
- If you do not have enough space on the form at any point you may continue on a separate sheet of paper, however, personal details, e.g. name, should not be included on any supplementary sheets.
- If you have not heard from the Council within 30 days regarding your application, please presume you have been unsuccessful for the post.

## Equal Opportunities Monitoring Form

This part of the application form will be detached before the selection process begins.

### First Section

- This first section of the application form will be detached before the selection process begins. It asks for some basic details about you and the post that you are applying for, especially with regards to the post reference number, the post title, the service and the location and the closing date for the post. Full completion of this information by you helps to ensure that your application is not unduly delayed in transit to the relevant Recruitment Officer.
- Details of your Surname, Forename, Title, Date of Birth and Address and Telephone Numbers (Mobile and Work if convenient) are required together with an email address (if convenient).
- Indicate (by ticking) whether the post is open to job share and if so if you wish to apply in a job share capacity.
- Please state where you saw the job advertised.

This may include a physical or mental impairment which has a substantial and long term adverse effect on your ability to carry out normal day to day activities. Long standing means that it has lasted, or is likely to last, for over a year. If you answer yes please detail any specific requirements to assist us with an interview so that the necessary arrangements can be made.
