

# Magic Wand Fruit Kebabs

## Ingredients

Pineapple

Apples

Strawberries

Bananas

Watermelon

## Equipment

Chopping boards

Sharp knife (adult use only)

Child-safe knives

Star-shaped cookie cutters

Wooden kebab skewers  
(blunt-ended if possible)

## Method

1. Before the activity, prepare the wooden skewers by boiling them in hot water. This will stop them from splintering.
2. Wash your hands and put on an apron.
3. Next, wash the fruit.
4. Then, an adult should remove the skin from the pineapple, watermelon and apple (optional).
5. Cut the apple, pineapple and banana into chunks, and the strawberries into halves. Children can use child-safe knives to cut the soft fruit like the bananas, pineapple and strawberries.
6. Cut the watermelon into slices.
7. Use the cookie cutters to cut star shapes out of the slices of watermelon.
8. Lay out the fruit pieces and carefully place onto the skewers. Children should be closely supervised for this activity, as the skewers can be very sharp. Model how to push the fruit onto the skewers, without putting their hands behind the fruit where the skewer will come through it.
9. A star-shaped piece of watermelon can be the final piece of fruit placed onto the top of the skewer to finish the magic wand fruit kebab.
