Occasionally, we may take photographs of the children at our school. We may use these images in our school's prospectus or in other printed publications that we produce, as well as on our website. We may also make video or webcam recordings for school-to-school conferences, monitoring or other educational use.

From time to time, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high-profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with the Data Protection Act 2018, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown and return the completed form to the school.

Conditions of use

This form is valid for five years from the date you sign it, or for the period of time your child attends this school. The consent will automatically expire after this time.

We will not re-use any photographs or recordings after your child leaves this school.

We will not use the personal details or full names (which means first name and surname) of any child or adult in a photographic image on video, on our website, in our school prospectus or in any of our other printed publications.

We will not include personal e-mail or postal addresses, or telephone or fax numbers on video, on our website, in our school prospectus or in other printed publications.

If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption without specific parental consent.

We may include pictures of pupils and teachers that have been drawn by the pupils.

We may use group or class photographs or footage with very general labels, such as 'a science lesson' or 'making Christmas decorations'.

We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.

As the child's parents/guardian, we agree that if we take photographs or video recordings of our child/ren which will include other pupils, we will use these for personal and family use only. I / we understand that where consent has not been obtained from the other parents for any other use, we would be in breach of the Data Protection Act 2018 if we used our recordings for any wider purposes.
