

History Long Term Plan 2021-22

	Autumn	Spring	Summer
Year 1	How has our place changed?	How has living and working on a farm changed?	Which events are important in our National history?
Year 2	Why are John and Josephine Bowes significant people in our locality?	What impact did the development of the railways have on our town and country?	Who has shaped history?
Year 3	What evidence is there of woollen mills in our town? What was the impact of the mills?	How did technology change from the Stone Age to the Iron Age?	Why did the Ancient Egyptians build pyramids?
Year 4	What impact did coal mining have on the North East over time?	How have the Greeks shaped our world?	What was daily life like for Romans?
Year 5	Who was James Cook and what was he famous for? Do you think views on his achievements vary? Why? Why not?	What happened when the Romans left Britain?	How did Viking invasions affect Britain?
Year 6	How did the North East support the war effort and what impact did this have on our wider local area?	How has medicine changed? What impact might these changes have had on future developments in medicine?	Who was making History in far-away places and how does this compare to Britain?
